

Join us

for a party and support AFAA!

You're invited to a joint Pampered Chef & Norwex party fundraiser on Thursday, August 17th!

Time: 6:30-8:30

Location: 970 Raymond Avenue, St. Paul, MN (where AFAA's office is located)

Bring: yourself, and any interested friends and family!

Cooking and cleaning for food allergic family members can be FUN – especially with useful products!

Come meet others who cook for those with restricted diets!

See demos of products and recipes, and taste the food! (Food will be free of peanuts, tree nuts, gluten, fish, shellfish, egg). Afterwards, see useful products that will help you clean for your food allergy family.

A Norwex party is a fun, easy way to discover how to reduce chemicals in your home and our environment.

RSVP not required, but appreciated – email info@minnesotafoodallergy.org
